KENNETH JOE C. MONTIANO

Aspiring Web Developer

Purok 1, Sipat, Plaridel, Bulacan • 0951-116-3589 • montiano.kennethjoe@gmail.com

PROFILE SUMMARY

IT student and web developer with hands-on full-stack experience building three independent projects spanning game development, personal wellness tools, and gamified e-learning. Comfortable across the stack with React, JavaScript, HTML/CSS, SQL, and Java, with an eye for UI/UX design. Reliable and customer-focused, with steady food-service experience that sharpened teamwork, communication, and performance under pressure.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, SQL, HTML, CSS

Frameworks & Tools: React, Unity

Other: UI/UX design, front-end & full-stack development, adaptability, communication, active listening

PROJECTS

Somnus — 2D Game | Unity *2026*

- Role: Artist / Full-Stack Developer
- Designed 2D art assets and built core game systems, contributing to both the creative and technical sides of development.

Daily Mood — Personal Emotion Tracker | VS Code *2025*

- Role: UI/UX Designer / Full-Stack Developer
- Designed and built a website that helps users log and track their emotions over time, functioning as a personal emotional caretaker.

LecVentures — Gamified LMS | Maasim Elementary School, San Ildefonso, Bulacan *2025-2026*

- Role: UI/UX Designer & Front-End Developer
- Designed and developed a gamified learning management system for elementary pupils, focused on making lessons more engaging through interactive, game-like interfaces.

WORK EXPERIENCE

Service Crew | McDonald's *2023 – Present*

- Delivered consistent, friendly customer service in a fast-paced environment, handling orders and inquiries under time pressure.
- Prepared food to standard while coordinating with teammates to keep operations smooth during peak hours.
- Built strong communication, adaptability, and problem-solving habits. Skills that carry directly into collaborative dev and support work.

EDUCATION

BS in Information Technology | Bulacan State University *2023 – Present*

KEY STRENGTHS

- Active Listening — quick to learn from the team and understand client needs to get tasks done right.
- Communication — clear, cooperative communication with both customers and teammates.
- Adaptability — stays flexible and steady under pressure across different situations and personalities.
